

PawPurrs Halfway House

Adoption Enquiry Form (2026 Revision)

Registered charity in England and Wales, no. 1197055

This is an enquiry form, not a commitment to adopt. PawPurrs uses the information you provide to understand what you are looking for, so that cats and kittens can be matched with the right home. Please email your completed form to pawpurrrshalfwayhouse@gmail.com. It takes about 10 minutes to complete, and help is available if you need it.

Any other information you would like to support your application (for example experience with cats, previous rescue adoptions, insurance arrangements).

E – ADOPTION DONATION AND PROCESS

There is an adoption donation for all cats and kittens. This covers neutering or spaying, vaccinations, microchipping, and flea and worm treatments. With the charity's veterinary discount, this costs the charity approximately £280 (Last reviewed: 14 September 2026).

PawPurrs makes no money from adoption donations and relies on donations alone. Additional procedures such as FIV tests, dental work or enucleation are mostly covered by charity fundraising.

Are you aware that an adoption donation and a home check apply to all applications? Yes / No

Photographic identification is required before adoption.

F – DATA PROTECTION AND CONSENT

The information provided will be used by PawPurrs Halfway House to process this application. Your data is handled in accordance with the UK GDPR and the Data Protection Act 2018, kept safe and secure, and used only in line with the PawPurrs Privacy Policy.

PawPurrs Privacy Policy link/text

If the application does not proceed, enquiry data is kept for 12 months and then securely deleted. Where an adoption goes ahead, records are kept for as long as necessary for aftercare.

Would you like to opt in to PawPurrs newsletters, campaigns, appeals and events? Yes / No

This newsletter and fundraising consent is separate from, and is not bundled with, the adoption application.

Consent statement: I consent to PawPurrs using my information to process this application as described above.
